

Dear Ravindra ,

On behalf of the Pregrad team, we are delighted to extend a warm welcome to you as you embark on the Pregrad Pre-graduation Program. Your participation is a testament to your dedication to professional development, and we are confident you will gain invaluable knowledge and experience throughout this program.

Your intensive training will commence during the first week of January and continue for a period of 3 months. The curriculum delves into the Cyber Security Associate domain, equipping you with a strong foundation. Additionally, you will be challenged with two real-world industry projects, one minor and one major, to apply your learnings in a practical setting. A unique aspect of this program is the opportunity to collaborate with esteemed mentors from leading companies such as Hotstar, TCS, and Snapdeal.

We firmly believe this program will provide you with the necessary skills and practical experience to excel in your chosen career path. To ensure you maximize your learning potential, kindly adhere to the following program guidelines:

- **Regular Attendance:** Consistent participation in all scheduled classes and workshops is mandatory.
- **Timely Completion:** All assigned projects and coursework must be submitted by the designated deadlines.
- **Respectful Conduct:** We encourage a professional and respectful environment towards your mentors and fellow participants.
- **Confidentiality:** Maintaining the confidentiality of program-related information is paramount.
- **Commitment:** Continued program participation is expected unless extenuating circumstances necessitate withdrawal.

While this information may seem comprehensive, please remember that the Pregrad team is here to support you every step of the way. Do not hesitate to reach out if you have any questions or require clarification. We are confident you will thrive in this program and look forward to witnessing your accomplishments.

Sincerely,
Pregrad Team
